2011 AGM

We had a very good AGM late last year, despite a modest attendance. I'm very pleased to report that all of the existing committee except one offered to stand again and were duly voted in.

We currently have room for several more committee members. I would like to encourage any lessee who has thought of getting involved to do so. Please give me a call or an email if you would like to discuss joining the committee or if you would like to recommend another lessee.

The committee's recommendation to reappoint Telfer Young as the Association's valuer was approved at the AGM.

We plan to hold this year's AGM sometime in November.

New Secretary Needed

Unfortunately we have recently lost the services of our secretary Liz Worsley due to her other work commitments. We are currently looking to replace her and would like to offer this paid position to any suitable lessee who may like to take it up. I've attached a brief job description. If you are interested please call or email me.

Membership Database

As always we are striving to keep our membership database up to date. Please email me if you or anyone you know has sold their lease in the past year, so that we can change the details and get in touch with the new owners.
